

Heartland Farm Sanctuary

Volunteer Application

Heartland Farm Sanctuary is currently recruiting adults 18 and older who support our mission, **to provide care for farm animals in need, nurture people through the human-animal bond, and foster respect and kindness toward animals and each other**, to participate in our volunteer program.

All potential volunteers must submit a completed application and attend a Volunteer Orientation prior to placement. We also require that all volunteers participate in position specific training as part of their work experience. If you support our mission and are willing to put forth the time to be trained, we encourage you to complete this application. The information submitted on this form will help us to find the most satisfying, rewarding, and appropriate position for you.
